## OPERATING MANUAL

### Features:

Time and Date Display

### Display:

Press A to show the time, again to show the date, and again to show the second. The display will remain lit for about 3 seconds after the last button press.

### Setting:

When the display is on, press B to toggle through the following settings:

**Hour** → **Minute** → **Month** → **Date**  
→ **Year** → **12hr/24hr time format**

When a setting is blinking, you can advance it by pressing A. Then press B to move to the next setting, and press A to advance it. When the watch is set correctly, simply wait for the display to turn off, and the settings will be saved.
